FOREWORD

This volume of Bible records is the third in a continuing series sponsored by the Knoxville Chapter, Daughters of the American Colonists. The records in this volume have never before been published.

Ranging in date of entry from 1734 to the present, these genealogical entries in Family Bibles of Tennessee in many instances provide unbroken links with the historic past of the state and clues which connect one branch of a family with another which moved westward at an earlier date.

The current edition contains records from Bibles found in Anderson, Knox, Loudon, Obion, Putnam, Warren, and White Counties in Tennessee.

Many of these Bibles have been unavailable to previous copying projects, but have been included in this edition because of personal friendship or a special interest in the work of the Daughters of the American Colonists.

The family burial ground of the late Col. David H. Cummings is located in Eagle Bend. It is a small wooded unfenced area lying east of road to T. V. A. Nursery and near the Meredith residence. A small portion of the area contains graves marked by field stones and said to be those of slaves. Col. Cummings was an early owner of Eagle Bend tracts which came to his family by grant from the General Assembly of North Carolina. He died on a steamboat on the Mississippi river of fever just after the close of the Civil War.

My dear Son,

Your letter of the 20th of May has been received, it has been a long time since we had heard from you before. I hope you will not let it be as long again before you let us hear from you. You ask me for the ages of all my children as well as my own age and that of your mother. Agreeable to the register handed to me by my parents I was born the 1st day of December 1768. Your mother was born the 5th day of March 1779 and we were married the 5th day of September

Children, we have commonly called her Nancy. Frances is her proper

name. I have thus given you as I believe a correct date of all our

ages. Mary has read your letter and says she will write to you

soon and give the information you ask respecting herself. I have

but one son now living in Bedford. Edmund lives about 15 miles

from me but I have not seen him for more than a year. He is not

doing well. Joseph lives in Giles County. I have not seen him

nor heard from him in several years. He moved out there with

William Hasley and I have never seen him nor heard from him since

so that I cannot tell what he is doing. Lumsford has bought land

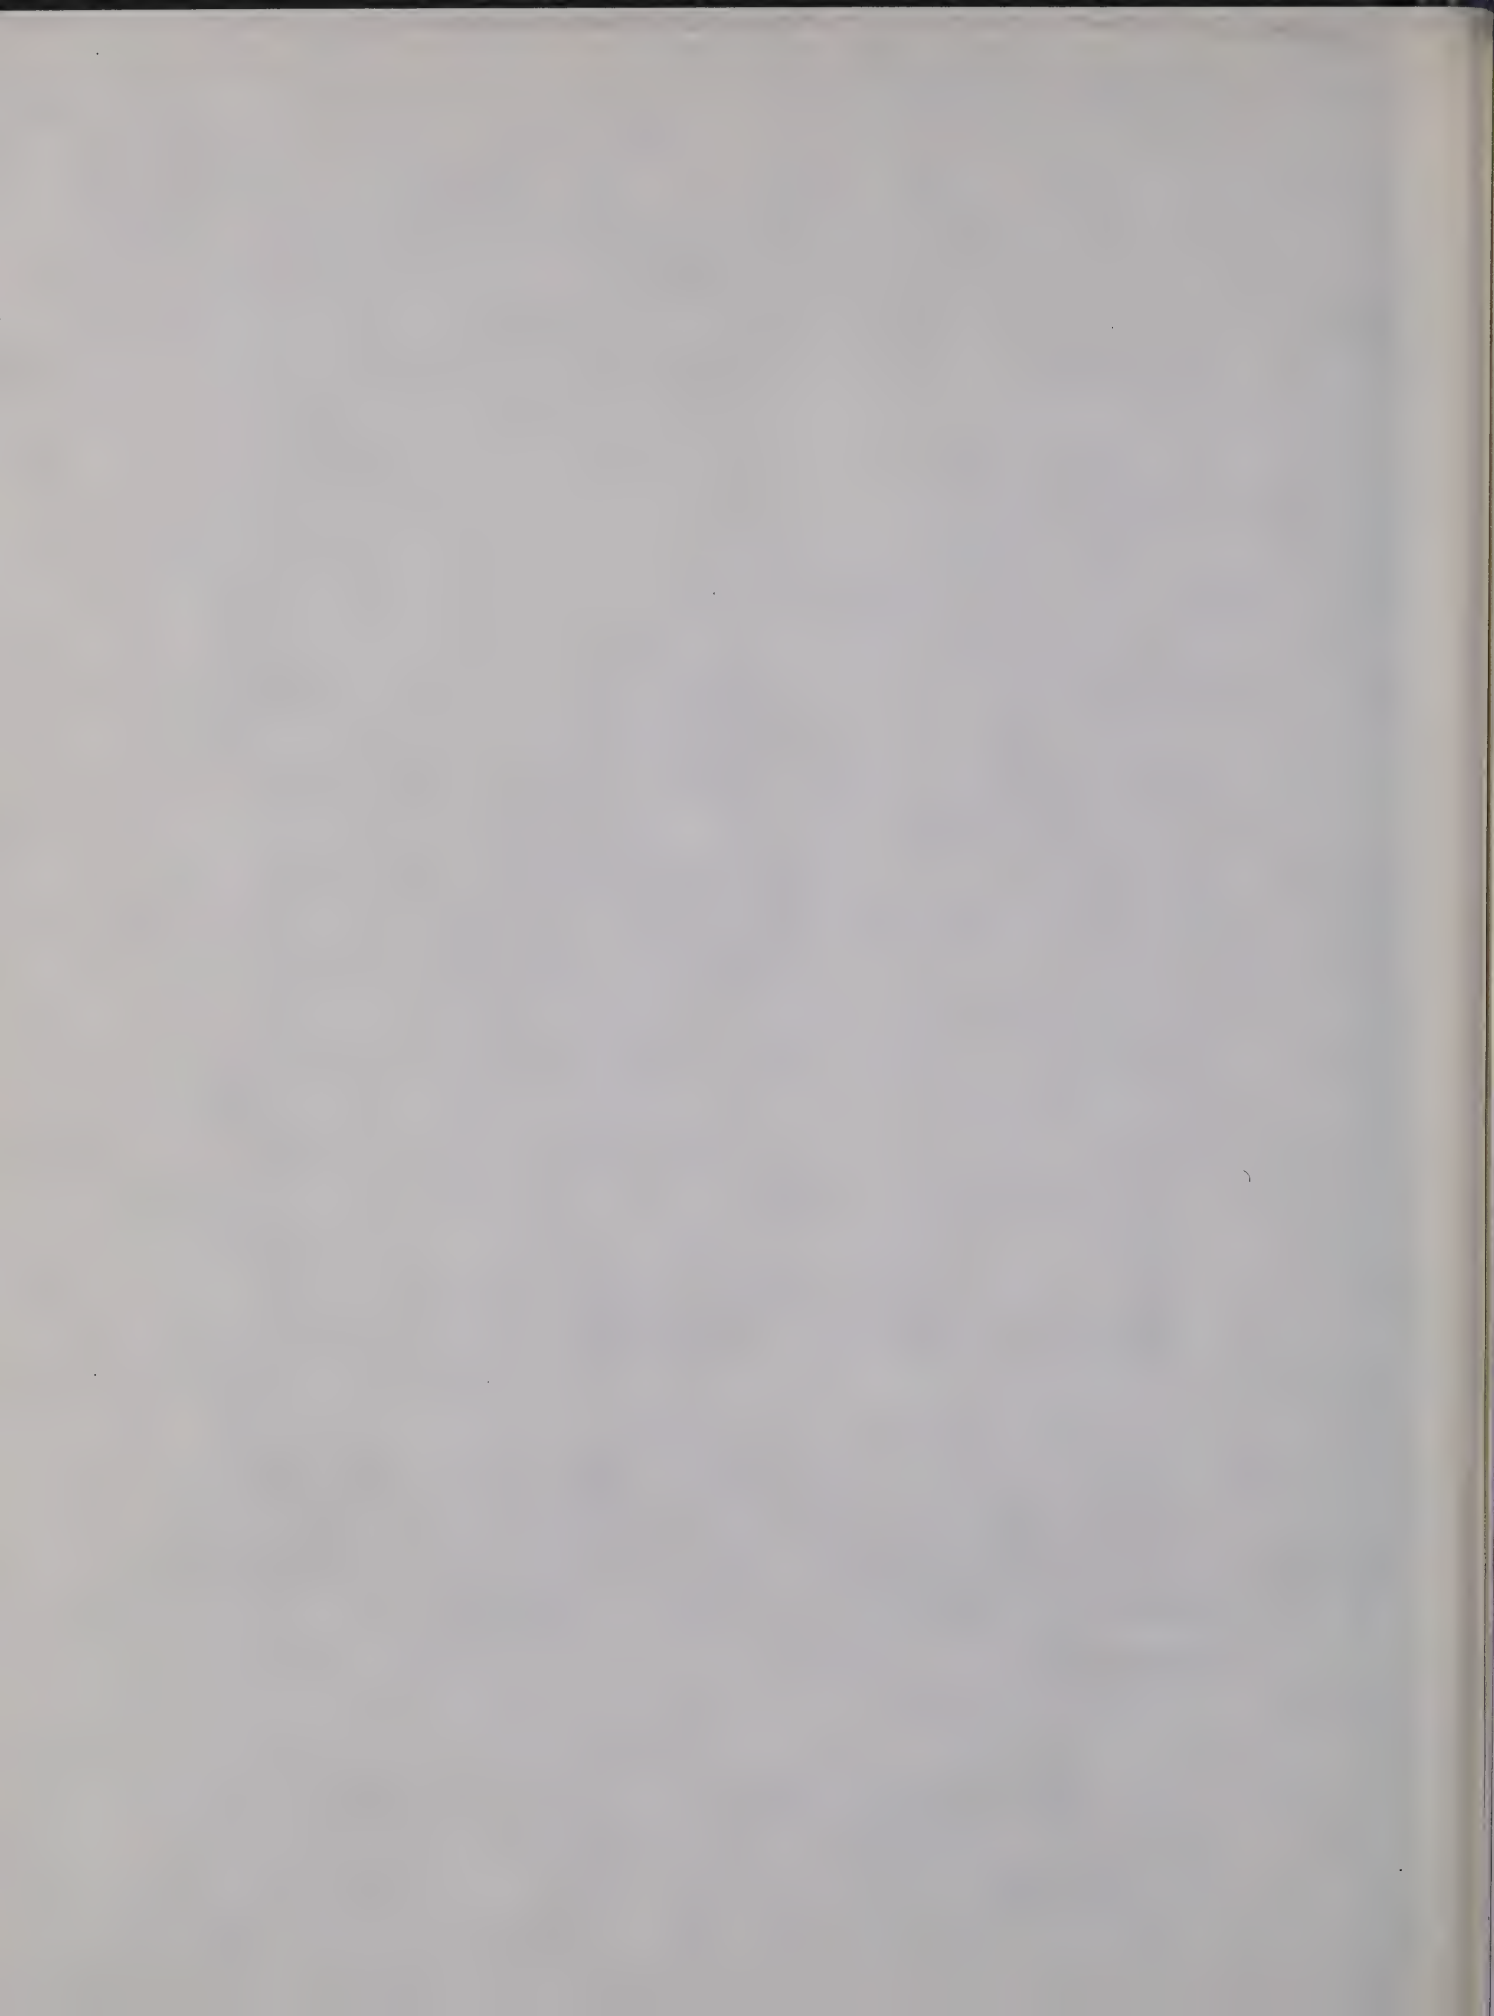

in Botetourt County where he is now living. I have been at his house

twice this year. He has only three children, 2 daughters and a son.

All were promising children. He is still as impatient as ever and

scratches his head till it looks more like a bar than a human skull.

John is doing well. I received a letter from him a few days ago.

He has three children two sons and a daughter. Edmund has only two children a daughter and a son. His wife was in a low state of health the last time I heard from her. (Paper enclosed in Bible)

Died at his residence near Lenoir Station, Loudon County, Tennessee January 19, 1877 Mr. William Lawson Alexander aged forty-eight years, four months and ten days. Bro Alexander professed faith in Christ, August 28, 1850 and soon thereafter joined the Marietta congregation of the Cumberland Presbyterian Church. He was in the organization of Oak Grove Church which took place April 1st 1853. At which time he was elected and ordained a ruling elder, which office he filled with entire satisfaction until the day of his death. He was an earnest everyday Christian. He was an invalid for some time before his death, but in all his suffering he clung close to the Lord. He died a calm, peaceful death with unshaken confidence in his Saviour. Bro. Alexander was a pleasant neighbor, kind husband, and affectionate father. He leaves a wife and five children and two lonely sisters to mourn their loss. May the God of the widow and fatherless be with them and bless them.

Tyrees Mills, May 24, 1854

Dear Friend: I gladly embrace this opportunity to fulfill my promise. We are all well at present. I would be pleased to see you all very much. I wish I could spend this week in Gainesboro with you all. I think we could enjoy ourselves very much together.

I too have been to a wedding since I came home. One of my schoolmates, a Miss Robinson to a Mr. Baker. They had five waiters. I was one of the five. There were a great many people there, but the worst of all, the gentleman that married them was so badly scared he could scarcely talk. I did not go to the affair on the account of my little sister being sick.

Mr. Roger and paw has just put their new goods up. They have a lot of very fine goods and also very pretty.

Present my respects to Miss Mary Kernen and tell her that when she gets ready to start to California, if she will let me know I will go with her.

I returned home very safe. I stayed all night at Mrs. Kinsle. My parents were very glad to see me. Mother was uneasy for fear that I'd be sick too.

I heard that Miss Poly Lock was married. I was not surprised much.

When you write, you must write all the news.

Our family all regretted Mrs. Mandlebaum's death very much. They were so surprised.

Tell your sister Piney and Sally I would be pleased to get a letter from them.

You must write immediately. So nothing more at present. Please excuse my bad writing.

Susan E. Tyree

(The following was pasted on the front cover of the Bible, obviously cut from a newspaper)

Died: In Philadelphia on the 3d instant Miss Mary Grafton Thomas, daughter of Henry E. and Mary G. Thomas, formerly of this city.

In this city on the 6th instant of Pneumonia after several days of severe suffering which was borne with Christian fortitude, Mrs. Jane, widow of Henry Raymond, formerly of the city of New York, and mother of G. Y. Raymond of this city.

In Nicholas County, Kentucky on March 31st at the residence of Milton Brown, her father, Mrs. Angeline E. Foster in the thirty-first year of her age. Mrs. Foster had lived for several years in Illinois. Her health being feeble, she came to the home of her childhood hoping to derive health from change of climate; but in vain - she came to die. She united with the church early in life, and died in peace with God.

On February 3, 1860 at his residence in Gibson County, Tennessee Mr. Franklin L. Barkley, son of Henry and Mary Barkley, aged thirty-seven years and six months, leaving a wife and three children. He emigrated to Tennessee about twelve or fourteen years since, with his father, from North Carolina. He had been for a number of years a consistent member of the Presbyterian Church. His disease (Pneumonia) was violent in its attack and rapid in its progress. He appeared to be conscious from the commencement that his end was nigh, and spoke of it repeatedly, expressing a perfect willingness to depart and be with the Saviour. We have reason to believe that death found him not unprepared, but ready for the coming of the Bridegroom; and while we would shed the tear of sympathy and of stricken hearts, yet would we not mourn as those that have no hope, but rather rejoice that he had, as he said to some of his friends a few hours before his death, "he would have a good home," a home in Heaven.

Ailsay C. Williams departed this life July 24th A. D. 1856

Franklin L. Barkley departed this life February 3d 1860 aged 39 years 6 months and 4 days, buried at Concord.

Franklin L. Barkedale departed this life February the 3 A. D. 1816
(Note: These last two entries are evidently copied from the third above. The obituary pasted inside the front cover definitely says 1830.)

Mary M. Bradford departed this life January the 21, 1879 and buried at Concord. She was willing to go and live with her Jesus.
